

Sheffield Fans Derby Application Form.

This form must be completed and returned to:

ian.atkins@sheffieldfansderby.co.uk

The manager will then select his 16 man squad and advise you if you have been successful. Unsuccessful applicants will be placed on a reserve list in case members of the main squad have to withdraw.

Player Registration Fee:

By completing this form I agree, if selected for the squad, to pay a non-refundable £40 registration fee. It is my commitment to play in the event and this fee may not be covered by sponsorship. The player registration fee covers costs involved in staging the Sheffield Fans Derby event, (pitch hire, facilities etc) with any surplus going to the nominated charity.

Sponsorship:

By completing this form I agree that, if selected for the squad, I have to raise a minimum £40 sponsorship for the charity. This is separate to the registration fee and must be raised as a separate amount. As a charity event I will raise as much as possible above the minimum amount. I understand this will be monitored before the event, with a final check prior to or on the day of the event by the squad manager. If the stated amount hasn't been raised the player will be ineligible to play in the game.

I understand that this form must be fully completed or I will not be eligible to play in the game.
